

LEGACY CONSTRUCTION

Quality construction services you can trust

ABOUT US

Over the past decade, **Legacy Construction** has established itself among the premier construction and roofing contractors in the borderland area. We are locally owned and operated. Our portfolio includes over 3,000 completed residential, commercial, government, and industrial projects across Texas, New Mexico, Arizona, and Arkansas.

Since 2006, our team has been the preferred vendor of business owners, homeowners, property managers, and general contractors for their roofing, construction, and restoration needs.

OUR SERVICES
